Duffy: The Chair read the Notice of Public Hearing. They had cut trees near the lake without filing with commission.

Mrs Duffy explained the project. Richard Nault stated these were fairly good sized trees in the lake bed. The commission is concerned about where it gets burned. It should be burned away from the lake and not in the lake bed. The DEP has not issued a file #. The abutters to the property should have been notified. The Commission directed them to get the brush out of the lake bed before the lake rises. The hearing was closed at 7:30 p.m.

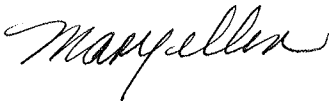

Stevens Lake Homeowners: The commission invoke the Rule of Necessity, because Richard Nault lives at Steven Lake. Muriel inspected the project. There will be 2 or 3 stumps taken out and the lake will be protected during this process with silt fence if necessary. The Determination was N3.
